## How does it work?

Participation is free.  
You pay only when you get the client

1

We will create your company's profile on **Zaganitsa** website.

2

The profile will feature an '**Ask your question**' button. Readers will leave their queries on the site, and we will then pass their contact details to you.

3

Once some of our readers become your clients and pay for your services, you shall pay the fee by transferring money to **Zaganitsa's** account.

4

Recurring payment plan is also available with a monthly service fee being **300 CAD**.

5

Our readers will definitely feel more comfortable when speaking with Russian representatives. In case you do not have a Russian desk, we would be glad to provide pre-consultancy services operated by our employees and then instruct prospective clients to contact you directly.  
Service cost - **150 CAD per month**
